

New Residential Accommodation

Hackney Residence

Twin's Hackney residence provides a central (zone 2) base for your stay in London. Conveniently located for local train and bus networks, this residence offers en suite, single room accommodation with a large kitchen/dining area. Each bedroom has a telephone/internet and door entry system and the communal area is large and well equipped.

The accommodation also offers:

- 24 hour emergency repairs service
- Dedicated accommodation manager and maintenance team
- Weekly cleaning of shared areas
- Secure bicycle storage
- Communal gardens

Homerton overground station is close and offers connections into central London and Stratford underground. The area is extremely vibrant with a local market, large supermarket, leisure and community centres, as well as a wide selection of retail shops and cafes and restaurants.

This residence is perfect for the student looking for a central location to explore London and have easy access to Twin English Centre London.
